MEMORANDUM FOR: Deputy Director for Operations

Bill:

1. The Director addressed the "summer only employees" in the auditorium on 18 July 1974, following which there was a question and answer period. Arrangements were made to record the event.

2. I have just looked at the transcript of the question and answer period and am impressed with the awareness of this group of young people based on the questions put forth. The thought crosses my mind that you might be interested in the types of questions asked of the Director.
